Testimonial

My son loves to go to Little People's Place, Inc. He loves to learn Spanish. He loves to do activities and eat with the other children.

My son was very selfish and didn't know how to interact with other children before he started going to Little People's Place, Inc.. My son was very unorganized and non-sociable. Little People's Place, Inc. helped him get along with other people's children mentally and sociably.

Armani has changed a great deal since he started Little People's Place, Inc.. He is much more confident and loves to attend the daycare.

*Sincerely,
