

To Whom It May Concern:

I have two children enrolled at Little People's Place Inc., a little boy and girl. My little girl was 18 months old when she began attending LPP Inc. She was bright and articulate, and not quite ready to leave mommy's side. After a week at LPP Inc., she had come to realize that there was a little world for little people just like her. LPP Inc. has helped her blossom into the adorable little person she is today. She has real feelings and a strong connection to the teachers and other staff at LPP Inc. I was so pleased and impressed with the wonderful outcome of my daughter that I sent my son to LPP Inc. I am happy to say that I see the same remarkable results in my son that I saw in my daughter 2½ years ago.

Honestly and sincere,
