Dear Madam or Sir:

I have both of my sons enrolled at Little People's Place. They have been going there for approximately one and a half years. They enjoy their classes and adore their teachers. The staff is respectful and very caring, making sure that each child's individual needs are met to the best of their ability. Any problems that arise with my children are immediately brought to my attention so that together we may resolve them in an expedient fashion.

It is a privilege and a pleasure for me to be able to send my children to such a well organized daycare where the staff cares for the children like they were family.

Respectfully,
